Post-Secondary Information and Financial Aid/Award Opportunities 2026-2027

STUDENT RESPONSIBILITIES

STUDENTS SHOULD ALWAYS CHECK WEBSITES DIRECTLY FOR DEADLINE DATES.

Some Options and definitions for post-secondary funding:

STUDENT AID BC http://www.studentaidbc.ca

Grants – Based on need. Do not need to be repaid.
Government Student Loans: Must begin repayments beginning 6 months after leaving post-secondary.

Student Loan Program - Student Aid BC This is money from the Federal and Provincial government that you pay back once you have graduated. No payments are due and interest does not accumulate until 6 months after graduating or leaving post-secondary. Applications 'open' by date – usually early June of your grad year. The amount of the loan is determined by a combination of factors: educational costs, family income and other student resources (Employment income, RESP's).

B.C. Student Loans offer interest-free assistance to students enrolled in full-time study at post-secondary institutions. Payment of principal and interest start six months after the student ceases full-time studies. There is a complex assessment process. Start your research early.
If you will be living at home your ***family income*** will be a factor in the amount of money available to you.

Bank Loans—Student Lines of Credit: Must be repaid

This is a revolving line of credit, which means that instead of taking all the money up-front, you arrange to have an amount of money available to you each year—your credit limit. You can borrow all or any of it, at any time — and you can reuse any of it as soon as you repay it.

Scholarships: Scholarships do not have to be repaid. These can be based on a variety of themes/criteria: personal merit, academic achievement, extracurricular activities, sport prowess, ethnic background, community service and volunteering or any combination of these**.**

Entrance Scholarships are given to **high achieving** high school students entering a post-secondary school for the first time. Some are automatic, some have an application. Deadlines for Entrance Awards are **sooner** than application dates. Every post-secondary will also have their own list of scholarships and awards, and external awards.

Bursaries: Funds awarded predominantly based on the degree of **financial need** (as defined by the donor-this varies), Academic standing and/or extracurricular activities, service and leadership. Bursaries do not have to be repaid.

Awards: Awards recognize skills or accomplishments and may or may not be monetary. These are often selected by teachers and administrators.

National Scholarships, Provincial Scholarships **Provincial Scholarships Program information for students - Province of British Columbia** **and Regional scholarships** are available. Some are by application. Some are automatic based on GPA.

LOCAL SCHOLARSHIP APPLICATION PACKAGE: Centennial/District SD43/ Community Donors are for graduating domestic or PR students.

These are the easiest to win! A lot less competition. Applicants are not competing with the country or province for the scholarship/bursary. These awards are specifically for Centennial Graduates, and some are for SD43 grads only (district only). Covered in spring meeting #2.

District Authority Awards: PROVINCIAL **DISTRICT AUTHORITY AWARDS ($1250)** ARE BY APPLICATION IN THE SPRING SCHOLARSHIP PACKAGE. Approximately 30 - 35 awards per grad class in SD43 **($1250 each)** Students must EXCEL in a selected focus area. District/Authority Scholarships - Province of British Columbia (gov.bc.ca) **(Eligibility for Local Scholarships and District Authority Awards:** Canadian Citizens, Permanent Residents)
