

CAREER IN TRADES?

A quick referral guide if you are interested in a career in the trades

START HERE

Still in secondary school?

TRAIN IN TRADES

or another SD43 dual-credit program

- 1 Review programs + prerequisites
- 2 Meet Abraham Kang to discuss options and pathways
- 3 Apply through SD43; interview if short-listed
- 4 If accepted: register, plan transition, begin training

RESULT

High school credit + Level 1 Trade

Planning to train after graduation?

POST-SECONDARY

foundation or apprenticeship route

- 1 Meet with your school's Post-Secondary Career Advisor (PCA) to discuss pathways
- 2 Choose a trade and training provider, check admissions
- 3 Apply to a foundation program OR find an employer sponsor for apprenticeship
- 4 Complete technical training and paid work hours

RESULT

Trade certification after high school

Already working in a trade?

WORK IN TRADES

paid job in an apprenticeable trade

- 1 Complete the form (QR code) to confirm job eligibility
- 2 Meet with Joanna Horvath to discuss WORK in Trades program and to start registration process
- 3 Complete the WRK coursework to receive high school credits
- 4 Apply for **\$1000** scholarship when eligible

RESULT

High school credit + apprenticeship hours

note WORK program can be taken in addition to TRAIN program and/or post-secondary program
