DECLARATION AND SIGNATURES

SCHOOL DISTRICT MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The financial statements and supporting schedules of The Board of Education of School District No. 43 (Coquitlam) ("the Board") have been prepared by school district management which has responsibility for their preparation, integrity and objectivity. The financial statements and schedules, including notes, have been prepared in accordance with Canadian generally accepted accounting principles for not-for-profit organizations.

In fulfilling its reporting responsibilities, management has maintained internal control systems and procedures designed to provide reasonable assurance that the school district's assets are safeguarded, that transactions are executed in accordance with appropriate authorization and that the accounting records may be relied upon to properly reflect the school district's transactions. The effectiveness of the control systems is supported by the selection and training of qualified personnel, an organizational structure that provides an appropriate division of responsibility and a strong budgetary system of control.

The Board's Responsibility

The ultimate responsibility for the financial statements lies with the Board. The Board has reviewed and approved the financial statements.

External Auditors

The Board appoints external auditors to audit the financial statements. The external auditors have full and free access to school district records, and present their report to the Board.

Declaration of Management and Board Chairperson

To the best of our knowledge and belief, these financial statements and supporting schedules reflect, in all material respects, the financial position, revenue and expense, changes in fund balances, and cash flows for the year in accordance with Canadian generally accepted accounting principles for not-for-profit organizations.

We, the undersigned, certify that the attached is a correct and true copy of the Audited Financial Statements of School District No. 43 (Coquitlam) for the year ended June 30, 2012.

Independent Auditor's Report

To the Board of Education of School District No. 43

We have audited the statement of financial position as at June 30, 2012, and the statements of revenue and expense, changes in fund balances, and cash flows for the year then ended, comprising Statements 1 to 4, of School District No. 43 (Coquitlam). The attached supplementary information included in Schedules A through C5 is presented for the purposes of additional analysis and is not a required part of the basic financial statements.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

"PwC" refers to PricewaterhouseCoopers LLP, an Ontario limited liability partnership, which is a member firm of PricewaterhouseCoopers International Limited, each member firm of which is a separate legal entity.

**Other Matter**

The supplementary information included in Schedules A to C5 has not been audited.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of School District No. 43 (Coquitlam) as at June 30, 2012 and the results of its operations, changes in fund balances and its cash flows for the year then ended in accordance with Canadian accounting standards.

SCHOOL DISTRICT NO. 43 (COQUITLAM)
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2012

NOTE 1 AUTHORITY AND PURPOSE

The School District operates under authority of the *School Act* of British Columbia as a corporation under the name of "The Board of Education of School District No. 43 (Coquitlam)", and operates as "School District No. 43 (Coquitlam)." A board of education which is elected for a three-year term governs the School District. The School District provides educational programs to students enrolled in schools in the district, and is principally funded by the Province of British Columbia through the Ministry of Education.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND REPORTING PRACTICES

These financial statements were prepared in accordance with Canadian Generally Accepted Accounting Principles (GAAP) for not-for-profit organizations. These principles are consistent with those used in prior years.

The deferral method of accounting for contributions, which includes government grants, is used. Results are reported in the operating fund, special purpose fund and capital fund. Revenues and expenses are recorded on a gross and accrual basis.

Statement 2 (Statement of Revenue and Expense), Statement 3 (Statement of Changes in Fund Balances) and Statement 4 (Statement of Cash Flows) present annual results of each fund, changes in fund balances and cash flows for the year. Statement 1 (Statement of Financial Position) presents the assets, liabilities and fund balance as at June 30th. Interfund transfers and loans are recognized in each fund and eliminated in the consolidated totals.

a) Fund Accounting

The resources and operations of the School District are segregated into various funds for accounting and financial reporting purposes based on the types of restrictions on the use of contributions by governments or other granting agencies, and appropriations or other internal restrictions by the Board. While separate accounts are maintained for each fund, for financial reporting purposes, funds with similar characteristics are grouped together:

- Operating fund reports assets, liabilities, revenues and expenses for general operations.
- Special purpose funds report assets, liabilities, revenues and expenses for:
 - Contributions restricted in use by the *School Act* or Ministry of Education.
 - Contributions restricted in use by other external bodies.
 - Endowment funds.
 - Funds collected and used at the school level (i.e. school-generated funds).
 - Controlled and/or related entities.
- Capital fund reports assets, liabilities, revenues and expenses for capital. Contributions of other funds used for capital purposes are transferred to the capital fund.

b) Cash and Cash Equivalents

Cash and cash equivalents include cash and highly liquid securities with original terms to maturity of three months or less when purchased. Interest earned is recognized immediately in the statement of revenue and expense.

SCHOOL DISTRICT NO. 43 (COQUITLAM)
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2012

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND REPORTING PRACTICES (Continued)

c) Short-term Investments

Short Term investments include securities with terms to maturity of greater than three months and less than one year in some instances. Short-term investments are comprised of Government of Canada bonds, term deposits and GIC's. Maturity dates extend beyond one year, but due to the liquidity of these investments they are classified as short-term. The fixed term securities are accounted for using the effective yield method.

d) Accounts Receivable

Accounts receivable are shown net of allowance for doubtful accounts.

e) Inventories

Inventories of supplies and materials relate to schools' cafeteria inventories and are stated at acquisition cost using the first-in-first-out method.

f) Prepaid Expenses

Materials, supplies and services held for use within the district in the following fiscal year are included as a prepaid expense and stated at acquisition cost.

g) Capital Assets

The following criteria apply:

- Capital assets acquired or constructed are recorded at cost. Donated capital assets are recorded at their fair market value on the date of donation.
- Work-in-progress is recorded as an acquisition to the applicable asset class at substantial completion.
- Sites and buildings that no longer contribute to the ability of the district to provide services are written-down to residual value.
- Buildings that are demolished or destroyed are written off.
- Amortization is recorded on a straight-line basis over the estimated useful life of the asset. Estimated useful life is as follows:

Buildings	40 years
Furniture & Equipment	10 years
Vehicles	10 years
Computer Software	5 years
Computer Hardware	5 years

h) Capital Leases

Leases that, from the point of view of the lessee, transfer substantially all the benefits and risks incident to ownership of property to the Board are considered capital leases. These are accounted for as an asset and an obligation of the Capital fund, although future funding of the obligation will be from the Operating fund.

SCHOOL DISTRICT NO. 43 (COQUITLAM)
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2012

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND REPORTING PRACTICES (Continued)

i) Revenue Recognition

Unrestricted operating government grants, are recognized as revenue when received. Such grants, if contributed for a future period, are deferred and reported as deferred contributions until that future period. Other unrestricted revenue, including tuition fees and sales of services/products, are reported as revenue when services are provided or products delivered. Deferred revenue is included in other liabilities and is primarily related to tuition fees received in advance, the majority of which are for courses to be delivered in 2012/2013.

Externally restricted contributions, grants, and donations are reported as revenue depending on the nature of restrictions imposed on the use of the funds by the contributors:

- Non-capital contributions for specific purposes are recorded as deferred contributions and recognized as revenue in the year related expenses are incurred.
- Contributions restricted for capital purposes are recorded as deferred contributions until the amount is invested in capital assets.
 - If the capital asset is a site, the amount invested is recorded as a direct increase to net assets invested in capital assets.
 - If the capital asset is not a site, the amount invested is recorded as a deferred capital contribution and amortized over the useful life of the asset.
 - Donated capital assets are recorded at fair market value and treated as a deferred capital contribution.

j) Expenditures

- Categories of Salaries
 - Principals, Vice Principals, and Directors of Instruction employed under an administrative officer contract are categorized as Principals and Vice Principals.
 - Superintendents, Assistant Superintendents, Secretary-Treasurers, Trustees and other employees excluded from union contracts are categorized as Other Professionals.
- Allocation of Costs
 - Operating expenses are reported by function, program, and object. Whenever possible, expenditures are determined by actual identification. Additional costs pertaining to specific instructional programs, such as special and aboriginal education, are allocated to these programs. All other costs are allocated to regular programs.
 - Actual salaries of personnel assigned to two or more functions or programs are allocated based on the time spent in each function and program. School-based clerical salaries are allocated to school administration and partially to other programs to which they may be assigned. Principals and Vice-Principals salaries are allocated to school administration and may be partially allocated to other programs to recognize their other responsibilities.
 - Employee benefits and allowances are allocated to the same programs, and in the same proportions, as the individual's salary.
 - Supplies and services are allocated based on actual identification of program.

k) Financial Instruments

Financial instruments consist of cash, cash equivalents, investments, accounts receivable, accounts payable and accrued liabilities and other current liabilities. Unless otherwise noted, it is management's opinion that the School District is not exposed to significant interest, currency or credit risks arising from these financial instruments. Cash and cash

SCHOOL DISTRICT NO. 43 (COQUITLAM)
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2012

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND REPORTING PRACTICES (Continued)

equivalents and short term investments are maintained primarily with AAA rated institutions. The fair values of these financial instruments approximate their carrying values, unless otherwise noted.

Under CICA Section 3855, all financial instruments are classified as one of the following: held-to-maturity, loans and receivables, held-for-trading, or available-for-sale. Financial assets and liabilities held-for-trading are measured at fair value with gains and losses recognized in net earnings. Financial assets held-to-maturity, loans and receivables, and financial liabilities other than those held-for-trading are measured at amortized cost. Available for-sale instruments are measured at fair value with unrealized gains and losses recognized in other comprehensive income. The standard also permits any non-derivative financial instruments to be designated as held-for-trading upon initial recognition.

The School District's implementation of CICA Section 3855 included the following:

- a) Cash and cash equivalents, and short term investments are recorded at fair value.
- b) Accounts receivable are recorded at amortized cost using the effective interest rate method.
- c) Accounts payable and accrued liabilities, and other current liabilities, are classified as other financial liabilities and are recorded at amortized cost using the effective interest rate method.
- d) The School District has analyzed its contracts and determined that no embedded derivatives exist which, under the new accounting standards, would be separated from their host contract and measured at fair value with gains and losses recognized immediately in net income.
- e) Transaction costs are expensed as they are incurred.

CICA Section 3865 specifies the criteria under which hedge accounting can be applied and how hedge accounting can be executed for each of the permitted hedging strategies. The School District has not designated any agreements as hedges.

l) Managing Capital

The School District defines its capital as the amounts included in its fund balances, including unrestricted, internally restricted and externally restricted funds, and deferred contributions. The School District's objective when managing its capital is to safeguard its ability to continue as a going concern so that it can continue to fulfill its mission as described in Note 1. The School District does have external restrictions imposed by contributors and Board imposed internal restrictions on its fund balances and deferred contributions.

The School District has internal control processes in place to ensure that these restrictions are met prior to the utilization of these resources and has been in compliance with these restrictions throughout the year. Under the School Act, the School District is required to obtain approval from the Ministry of Education if a fund balance is in a deficit position.

m) Use of Estimates

Preparation of financial statements in accordance with Canadian Generally Accepted Accounting Principles requires management to make estimates and assumptions that impact reported amounts for assets and liabilities at the date of the financial statements and revenues and expenses during the reporting periods. Significant areas requiring the use of

SCHOOL DISTRICT NO. 43 (COQUITLAM)
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2012

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND REPORTING PRACTICES (Continued)

management estimates relate to the potential impairment of assets, rates for amortization and estimated employee future benefits. Actual results could differ from those estimates.

n) Employee Future Benefits

The School District provides certain post-employment benefits including accumulated banked sick and vacation pay and retirement allowances for certain employees pursuant to certain contracts and union agreements.

The School District accrues its obligations and related costs under employee future benefit plans. The future benefits cost is actuarially determined using the projected unit credit method pro-rated on service and using management's best estimate of expected salary escalation, termination and retirement rates and mortality. The discount rate used to measure obligations is based on market rates at the measurement date.

The excess of cumulative unrecognized actuarial gains (losses) over 10 percent of the accrued benefit obligation is amortized over the Expected Average Remaining Service Lifetime (EARS�) of active employees covered under the plan.

The most recent actuarial valuation of the obligation was performed at March 31, 2010 and projected to June 30, 2014. The next actuarial valuation will be performed at March 31, 2013 for use at June 30, 2013. For the Non-Teaching Pension Benefit Plan, the next valuation will be as at December 31, 2011 with results available in late 2012.

o) Future Accounting Changes

Under the revised Public Sector Accounting Board (PSAB) framework, beginning with the 2012/13 fiscal year, school districts will be required to follow Public Sector Accounting (PSA) standards with or without the not-for-profit organization standards (i.e., PS 4200 series). In September 2010, the Province of British Columbia Treasury Board directed through Government Organization Accounting Standards Regulation 257/2010 requiring all school districts to adopt PSA standards without the PS 4200 series from their first fiscal year commencing after January 1, 2012.

The first fiscal year of full implementation without the PS 4200 series will be the year ended June 30, 2013. The adoption of PSA standards is to be accounted for by retroactive application with restatement of prior periods unless an exemption is permitted. Comparative figures at June 30, 2012 and July 1, 2011 will be restated. The financial statements will also include the presentation of budget figures prepared in accordance with PSA standards for the year ended June 30, 2013.

While the School District, in consultation with the Office of the Comptroller General and the Ministry of Education, has begun assessing the impact of the change in accounting framework on its financial statements, the financial impact cannot be reasonably estimated at this time. Implementing PSA standards will also have an impact on accounting financial reporting and supporting information technology systems and processes

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2012

NOTE 6 EMPLOYEE FUTURE BENEFITS

The accrued benefit obligation for employee future benefits, other than pensions, and excluding certain benefits (MSP, Extended Health and Dental) for non-teaching retirees, is not funded as financing is provided when the benefits are paid. Accordingly, there are no plan assets. Future cash payments will be made from operating accounts and committed funding. The most recent valuation of the obligation was performed at March 31, 2010 and projected to June 30, 2014. The next valuation will be performed at March 31, 2013 for use at June 30, 2013.

These employee future benefits include payouts related to banked sick leave, vacation pay and retiring allowances pursuant to certain contracts and union agreements.

The period of amortization is equal to the expected average remaining service lifetime (EARSL) of active employees.

Salary Growth – March 31	2.50%	seniority	2.50%	seniority
EARSLS -March 31	11.5		11.5	

NOTE 7 EMPLOYEE RETIREMENT PLANS

- a) **BC Teachers' Pension Plan** - The School District and its teaching employees contribute to the BC Teachers' Pension Plan, a jointly trustee pension plan. The board of trustees for the Teachers' Pension Plan represents plan members and employers and is responsible for the management of the pension plan including investment of the assets and administration of benefits. The pension plan is a multi-employer contributory defined benefit pension plan. Basic pension benefits provided are defined. The Teachers' Pension Plan has about 46,000 active members from BC school districts, and approximately 30,000 retired members from BC school districts.

The most recent actuarial valuation of the Teachers' Pension Plan as at December 31, 2008 indicated a \$291 million deficit for basic pension benefits. The next valuation will be as at December 31, 2011 with results available in 2012. The most recent actuarial valuation for the Municipal Pension Plan as at December 31, 2009 indicated a \$1,024 million deficit for basic pension benefits. The next valuation will be as at December 31, 2012 with results available in 2013. Defined contribution plan accounting is applied to the plan as the plan exposes the participating entities to actuarial risks associated with the current and former employees of other entities, with the result that there is no consistent and reliable basis for allocating the obligation, plan assets and cost to individual entities participating in the plan. School District 43 (Coquitlam) paid \$17,910,427 (2011-\$17,536,328) for employer contributions to this plan in the year ended June 30, 2012.

- b) **Non Teaching Pension Plan** - The School District sponsors a defined benefit pension plan available to all non-teaching employees, the Retirement Plan for Non-Teaching Employees of School District #43 (Coquitlam).

As with the Teachers' Pension Plan, an actuarial valuation of the Retirement Plan for Non-Teaching Employees is conducted every 3 years. The actuarial valuation performed as at December 31, 2011 indicated a funding surplus of \$2.0 million and a deficit on a solvency basis of \$44.7 million. The School District is in the process of addressing the solvency deficiency and related requirements.

- c) **Post Retirement Health and Dental Benefits (Non Pension Benefits)**- In addition to the Retirement Plan for Non-Teaching Employees, there is also a non-pension benefits obligation that represents the Board's share of premiums payable in respect of current and future retirees for the Medical Services Plan, Extended Health Benefits and Dental Benefits for non-teaching staff only. The accrued benefit liability for non-pension benefits is \$27,245,000 (2011 -\$26,049,000). As at June 30th 2011, no funds have been internally designated to fund this liability.

Interfund transfers between the operating, special purpose and capital funds are reported on Statement 3 (Statement of Changes in Fund Balances). For the year ended June 30, 2012, transfers were as follows:

• Capital funds, transferred from Special Purpose and Operating funds	\$ 0
• Operating funds, transferred to Capital fund	\$ 0
• Special Purpose funds transferred to Capital fund	\$ 0

SCHOOL DISTRICT NO. 43 (COQUITLAM)
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2012

NOTE 12 RELATED PARTY TRANSACTIONS

The School District is related through common ownership to all Province of British Columbia ministries, agencies, school districts, health authorities, colleges, universities, and crown corporations. Transactions with these entities, unless disclosed separately, are generally considered to be in the normal course of operations and are recorded at the exchange amount.

NOTE 13 CONTRACTUAL OBLIGATIONS

The School District has committed to capital expenditures to construct new facilities and upgrade current facilities. The outstanding capital commitments as at June 30, 2012 are \$25,239,133 (2011 - \$26,020,821).

Funding approval for these committed projects has been received from the Ministry of Education, the expenditures will be funded from available Capital Funds, and the proceeds of new capital funding will be provided by the Ministry.

The School District has no significant operating leases.

The collective agreement between the School District and the Coquitlam Teachers' Association allows teachers to be paid over 12 months. As at June 30, 2012, the amount held by the District and included in cash and accounts payable was \$5,146,197 (2011 - \$4,774,420).

NOTE 14 BUDGET FIGURES

Budget figures included in the financial statements are not audited. They were approved by the Board through the adoption of an amended annual budget on February 16, 2012

NOTE 15 LINE OF CREDIT

The School District has an unused, unsecured operating line of credit with the Royal Bank of Canada in the amount of \$4,000,000 as provided for under Section 144 of the School Act.

NOTE 16 CONTINGENCIES

(a) Ongoing legal proceedings: In the ordinary course of operations, the School District has legal proceedings brought against it and provisions have been included in liabilities where appropriate. It is the opinion of management that final determination of these claims will not have a material effect on the financial position or operations of the School District.

(b) Class action lawsuit: In 2011, the School District was served a writ of summons in a class action lawsuit involving 25 other school districts throughout the Province, seeking recovery of tuition fees paid for summer school courses in prior fiscal periods. The action has not yet been certified as a class action. Neither the outcome of this action nor any potential financial consequences are known at this time.

SCHOOL DISTRICT NO. 43 (COQUITLAM)
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2012

NOTE 17 ASSET RETIREMENT OBLIGATION

As at June 30, 2012, there is a liability of \$783,815 (2011 - \$783,815) related to asset retirement obligations. The associated asset retirement costs relate to the betterment of schools and are capitalized as part of the carrying value of the long-lived asset and subsequently amortized over the asset's useful life. This amount is considered to approximate fair value of the liability as the District is expected to complete the upgrades to the related schools within the next fiscal year. There may be additional asset retirement costs that cannot be estimated at this point in time.

NOTE 18 ECONOMIC DEPENDENCE

Operations of the School District are dependent on continued funding from the Ministry of Education and various governmental agencies to carry out its programs. These financial statements have been prepared in accordance with Canadian GAAP for not-for-profit organizations. This contemplates continuation of the School District as a "going concern".

NOTE 19 SUPPLEMENTAL CASH FLOW
