HWSS Policy re: Micromobility Vehicles

Students must dismount once on school grounds.

You are responsible for the security of your own vehicle.

Micromobility vehicles include:

- Bicycles
- Electric Bicycles
- Scooters
- Electric Scooters
- etc.

Respect others and the environment when riding.

Be safe!
Have fun

16+

In British Columbia, you must be 16 years or older to legally operate an e-scooter.

You also need to be in a community that allows e-scooters.

Check your municipality's rules before buying or riding.

How to ride safely

Always wear a properly fitted helmet

It's the best way to protect your head.

Stay alert and avoid distractions such as phones and headphones

Keep your full attention on the road and your surroundings.

Ride one person per scooter

Scooters are designed for one rider.

Use lights and reflective gear

It helps others see you.

Slow down, especially on uneven or wet surfaces

Go slower to stay in control and avoid falls.

Fragrance Free

Reminder to all that *SD43 is Scent Aware*, and as such the district is asking for cooperation towards a scent reduced environment.

All staff, students and visitors are strongly encouraged to avoid or reduce the use of ALL fragranced products, and to replace them with unscented alternatives.

STUDENT PARKING PASSES

Reminder to students who are driving to school and parking in the school parking lots.

Please come to the HWSS main office to register your vehicle and receive a PARKING PASS to be displayed in vehicle; should be hung from rear view mirror.

*Please remember when parking in the back lot, park from the electric charger back to the caretaker's house.

Thank you for your cooperation!

Please be respectful
and refrain from
parking in the
handicap spots
located at the back
of the school.
Unauthorized
vehicles may be
towed at the owner's
expense.

Please take pride in our
school and keep it
clean!
