September 2026

Dear Parents,

On behalf of Banting Middle School's Parent Advisory Council (PAC), we would like to extend a warm welcome to the Banting community.

All parents and guardians are members of the PAC, and have the opportunity to connect with other parents and school representatives. As well, the PAC enables parents to become involved in the school's activities and events. The PAC plays an essential role in supporting and enriching the educational experience for our children by providing resources and organizing events.

We encourage you to attend our monthly meetings and get involved with the PAC committees and events. Your participation is invaluable, and we appreciate any contribution of your time and talent. Our goal is to create a positive and supportive environment for all our students, and we hope that you will find our school community welcoming and inclusive.

On **Monday September 21 at 6:30pm** we will have our first PAC Meeting of the 2026/2027 School Year. We hope to see new and returning families there!

Information for the PAC, including PAC bylaws and constitutions, volunteer opportunities, meeting agendas, meeting minutes, monthly budget reports, and meeting links can be found on the [school website on the PAC page under the Parents tab.](#)

Once again, welcome to the Banting Middle School PAC. We look forward to meeting you and working together to make this a fantastic school year!

~ Erin Michie (President), Kilah Dalzell (Vice President), Jill Logan (Treasurer), Ivana Smolic (DPAC Rep), and Sara Hessabi (Secretary) ~
