E-SCOOTER, E-BIKE RULES

All scooters, e-scooters, e-bikes & regular bikes are not allowed to be ridden, anywhere, on school property- you must only WALK them, when on school property. Also, e-dirt bikes are illegal on all city roads, sidewalks and school property. Any of these vehicles must also be locked up at the designated bike racks and not on the railings near the school entrances. Parking scooters on railings can create safety hazards for staff and students and may also lead to your scooter being damaged by opening doors. Help keep our school entrances safe and your scooter secure by using the bike racks provided.
