

GRADUATION CEREMONIES – INVITED GUESTS

Background

The Board, as well as other elected representatives of the constituent communities of School District No. 43, has an inherent interest in the education, accomplishments, and contributions of the District's students. One of the most rewarding accomplishments and highlights in a student's life is graduation from Grade 12. Our elected officials should be given an opportunity to participate in the official ceremony marking this event.

Procedures

1. All District 43 Secondary schools shall invite to the commencement ceremony for their graduating class, their assigned liaison trustee, zone superintendent, and mayor as honored platform guests.
