

Name of Club	Teacher Sponsor	Type of Club	Club description and purpose/goal	Meeting Days	Time	Location
A.C.E Club [architecture, civil engineering] Club	Mr. A. McKenna amckenna@sd43.bc.ca	Skill Development	The club will give an insight to abstract designs and notable pieces of architecture throughout the world. This will benefit students who are considering majoring in architecture or civil engineering in the future. There will be 4-5 “competitions” where the members can build their own structures and explore their own creativity. Before each project/ competition, we will go into detail about a certain architectural work which will be the theme for the project. Each project will take roughly 2 months including all information meetings.	Wednesday	Lunch	B108
Animal Awareness and Fundraising Club	Ms. Charlton lcharlton@sd43.bc.ca	Fundraising for animal rights	Objective: To bring awareness to animal’s rights and species facing extinction due to human habits, as well as fundraise for the BC SPCA and WWF. Goal: Our goal is to aise over \$1000 to send to organization to help endangered animals and bring awareness to the cruelty that animals a facing. Organizations: We would donate to the World Wildlife Fund (WWF) and the British Columbia Society for the Prevention of Cruelty of Animals (BC SPCA).	Thursday	Lunch	A100
AP Study Club	Ms. Roberts aroberts@sd43.bc.ca	Academic	Our club’s purpose is to create an inclusive and supportive environment where students can prepare for AP exams together. We recognized how helpful it would be to have a space where students studying the same AP course can collaborate, share resources, and reach their goals as a team. Through our mentorship program, experienced students who have taken AP courses will support and guide new students preparing for their exams. We also plan to form study groups for each AP subject so members can work together, strengthen their understanding, and stay motivated. Overall, our club is dedicated to helping students become more familiar with AP courses, build confidence, and succeed on their exams.	Friday	Lunch	A211
Applied Calculus in Physics (ACP)	Ms. Grandy vgrandy@sd43.bc.ca	Academic	The goal of this club is to create a space where students interested in STEM majors can work deeply with math and physics, freely asking and answering questions in areas not usually covered in school subjects. The club aims to move beyond memorizing formulas by exploring the mathematical foundations behind physical laws.	Thursday	Lunch	B205
ASL Club	Mr. Deans bdeans@sd43.bc.ca		Our goal as the ASL Club is to promote diversity within the Pinetree community. Unfortunately, we do not have any ASL classes at Pinetree, which allows us to take matters into our hands! The ASL club will focus on biweekly lessons at lunch times where students will be taught by executives the fundamental basics of the sign language. The purpose of this learning experience is to allow students to communicate to those with hearing/speaking impairments. These skills will be later extremely useful in their futures, as communication is needed in all careers!	Thursday	Lunch	A220

Name of Club	Teacher Sponsor	Type of Club	Club description and purpose/goal	Meeting Days	Time	Location
Badminton Club	Mr. Ireland lireland@sd43.bc.ca	Sports & Fitness	The goal of our club is to promote fitness and create a safe and positive environment for everyone willing to try the sport of badminton. Pinetree does not offer many opportunities to engage in sports in a less competitive environment, especially for badminton. Aside from intermurals, which only run for a short amount of time, and PE classes, there are no other opportunities for students to play badminton.	Wednesday	Lunch	Gym
BCYC (B.C youth council)	Ms. Ma mama@sd43.bc.ca	Community Service	A youth-led movement that empowers high school students to take action on real community issues and bring solutions to MPs & MLAs.	Monday Thursday	Lunch	A201
Board Games Club	Mr. Lu alu@sd43.bc.ca	Hobbies	The Board Games club is centered around 3 concepts, traditional board games, Dungeons and Dragons, and Warhammer. We encourage people to try something different and connect with there fellow students to build relations with one another.	Monday Wednesday Thursday Friday	Lunch	A220
Business Club	Mr. Lum dlum@sd43.bc.ca	Career Interest	Business Club is an educational and collaborative community where students can explore the world of business, entrepreneurship, and leadership. Our club provides members with opportunities to learn about real-world business concepts such as marketing, finance, management, and innovation through interactive workshops, discussions, and case studies. The purpose of Business Club is to prepare students with practical knowledge and skills that extend beyond the classroom. Members will engage in activities such as mock case competitions, presentations, and workshops. The Business Club have been running for several years in this school, we will also be offering various business competition opportunities in our channel and support members to form teams to participate in	Thursday	Lunch	A217
CARE Club	Ms. Kim (sem 1) seakim@sd43.bc.ca Ms. Oh (sem 2) oh@sd43.bc.ca	Social Connections	To socially and emotionally connect with hospital or nursing home around us to engage and help patients by providing them with seires of events and program such as sending them wellness cards and fundrasing	Thursday	Lunch	A212

Name of Club	Teacher Sponsor	Type of Club	Club description and purpose/goal	Meeting Days	Time	Location
Career Pathways Club	Ms. Walraven awalraven@sd43.bc.ca	Career Interest	As the world rapidly changes and information becomes harder to navigate, many high school students feel uncertain about their futures: wondering when to start, where to begin, and which path to follow. Students often rely on scattered news and sources, which can be time-consuming and ineffective. That is where we can help. Career Pathways Club connects students with valuable insights as a whole from experienced individuals, including current and former university students, online agencies, job interviewers, and recruiters. We introduce people to volunteering, post-secondary admissions, academic majors, jobs, and long-term career paths. Our main focus is assisting students in Grade 10, 11, and 12 with their post-secondary procedures, and in addition, navigating Grade 9 students through their course selection. The club complements CLE and CLC courses by hosting sessions with guest speakers from outside the school. Their perspectives give students a deeper look into various careers, helping them gain a stronger understanding of the world and their future possibilities. We want to provide students with multiple opportunities to learn about what they want to become, as well as providing valuable work and volunteering experience by providing all students with opportunities. we will be providing career and volunteer related opportunities on teams, and social media. Our club meetings will be about career help such as, how to write a good resume, cover letters, how to get accepted to jobs, etc.	Friday	Lunch	A220
Case Study Competition Club	Mr. Lum dlum@sd43.bc.ca Ms. Olujic kolujic@sd43.bc.ca	Career Interest	The Case Study Competition Club exists to provoke students’ interest in business-related fields, and we hope to bring theoretical knowledge to practical use. Through participating in competitions such as Strive, Enhance, and Prosper in the name of individuals (not affiliated with Pinetree), we hope to prepare and inspire students who are interested in going into business. We will host weekly meetings, where we analyze business cases. We already have plenty of business case examples to share in the first few months. Meanwhile, we will develop our critical thinking by looking at how to approach a problem, efficiently come up with a solution, and how to present everything in a neat and professional manner. We think that these skills are essential for anyone in the business industry. As initiators, our goal is to develop these skills together with like-minded peers. As in the club's name, our club is going to function as a competitive team more than a recreational activity. Throughout the year, members will be divided into groups to conquer each case. In the first few weeks, we will go through the format and techniques of preparing a business deck. Current events will slowly be integrated into our weekly meetings near the competition date.	Thursday	Lunch	A217
Chess Club	Mr. Flores dflores@sd43.bc.ca	Hobbies	Our club has several goals. The first is to give students a space to relax at lunchtime and socialize with others with the same interests while playing/learn about Chess. In addition, we aim to teach new players on the basics of chess theory and how to win while providing more advanced players oppotunities to play against players of similar levels. We hope to even host contests in order to add a competitive aspect to our club and allow members to further improve their skills in a competitive enviroment.	Wednesday	Lunch	A118

Name of Club	Teacher Sponsor	Type of Club	Club description and purpose/goal	Meeting Days	Time	Location
Chinese Culture Club	Ms. Ma mama@sd43.bc.ca Ms.Cui icui@sd43.bc.ca	Culture	Chinese Culture Club’s purpose is to gather student to learn about Chinese culture and appreciate the cultural diversity in Pinetree. Through providing fun games and activities such as Mahjong and Kongming lock, we aim to create an inclusive environment for students to meet new friends, immerse them in a full lunchtime of games and treats and learn about others’ culture. We will also be celebrating traditional holidays such as Lunar New Year and the Mid-Autumn Festival, giving students more opportunities to experience and enjoy Chinese culture. Students of all backgrounds are encouraged to join us!	Wednesday	Lunch	A201, A202
Christianity Club	Mr. Seah seah@sd43.bc.ca	Culture	Our club will consist of interactive sessions that explore the meaning of life and answer some of the most common questions that youth have about the Christian faith. Today’s young people have an increasing level of openness, optimism, and curiosity for the world around them. They seek out authentic and honest interactions amidst the growing digital age. This club has been made to focus on the priorities, challenges, and questions of this generation. It will introduce the core ideas of Christianity to a diverse audience in a relevant, accessible, and engaging way. We hope to build a community where students can openly share their personal opinions and beliefs, regardless of religious or cultural background. Everyone is welcome and accepted! We want to bring together students who are curious about Christianity as well as those who simply enjoy thoughtful dialogue about life. Judgement, hate, and/or exclusion of any kind will not be tolerated. We are committed to fostering an atmosphere of respect, kindness, and genuine curiosity that will promote both personal growth and greater cultural understanding among our peers. Furthermore, this club will give students opportunities to build meaningful friendships and develop leadership skills.	Monday	Lunch	Choir Rm
Cooking for a Cause (CFC)	Ms. Jackson rejackson@sd43.bc.ca	Community Service (Fundraising) and Skill Development	CFC’s main objective is to help bring food for vulnerable individuals in our community through students volunteering to cook and fundraise to donate to local food banks. CFC also aims to teach its volunteers how to make different foods through club activities. The cause we want to push forward is that all deserve to be fed, and that students have the power to change that. CFC desires to create an outlet within our local school community for those who want to cook for a cause. So, the club and its members are to fundraise through cooking to donate and support our local food banks. CFC also plans to reach out to food banks within our area on volunteering opportunities available for students.	Tuesday	After School	A116

Name of Club	Teacher Sponsor	Type of Club	Club description and purpose/goal	Meeting Days	Time	Location
Culture Collective	Mr. Deans bdeans@sd43.bc.ca	Culture	The Cultural Collective Club is a place for students to share, relax, and celebrate cultures from around the world. Each meeting allows different members to share their culture through food, music, games, traditions, or storytelling. Members can present their own culture or research one they're interested in. After presentations, the group comes together for mini games and activities. Instead of being another classroom or study space, this club is meant to be a welcoming escape a place where students can take a break from school stress, connect with friends, and enjoy learning in a fun and relaxed way. Purpose/Goals -A fun and relaxing space to share and celebrate cultures. -Build friendships through sharing cultures. -Encourage curiosity and respect for diversity.	Friday	Lunch	A200
Debate club	Ms. Mohamed Ali smohamedali@sd43.bc.ca	Academic	The Debate Club aims to provide students with a place to learn about debate while developing critical thinking, public speaking, and research skills throughout structured debates and lessons on the art of debating. The club will host bi-weekly meetings, where members will first be taught about debating and learn how to hone various techniques which they will then be using in their debates. Lessons on argumentation, public speaking, and research will also be held to enhance the members abilities. The club's goal is to encourage and hone members speaking confidence, promote critical thinking, and build teamwork, preparing students for various challenges while boosting their confidence and communication skills	Monday	After School	A209
Drone Club	Mr. Flores dflores@sd43.bc.ca	Hobbies	The Drone Club is designed for students interested in learning about drones, their operation, and related technologies. Members will engage in a variety of activities, including preparing for the beginner's drone license exam through short lessons and interactive games, such as Kahoot. The club will also explore practical skills such as editing drone footage, selecting appropriate drone parts, and analyzing real-world scenarios of how drones are applied through video content or presentations. During some meetings, we will have presentations about drone-related topics. Every other meeting, members will practice flying using a drone simulator to develop skills in piloting and operating First-Person View drones in a safe, controlled environment	Thursday	Lunch	A206
Eco-Roots	Mr. H. Lee halee@sd43.bc.ca	Environmental/ Volunteering	We are partnered with the City of Coquitlam in cleaning up gardens, cleaning up the environment and reversing the impacts of human interaction with nature. We offer many volunteering opportunities for those who seek not only to better the environment but for graduation requirements. Our goal is to help the environment and local gardens while helping students gain city verifiable volunteer hours.	Thursday	Lunch	A218

Name of Club	Teacher Sponsor	Type of Club	Club description and purpose/goal	Meeting Days	Time	Location
Environmental Club	Mr. Koyanagi mkoyanagi@sd43.bc.ca	Community Service	The Environmental Club will be working in close collaboration with SFU mentors from previous years. They will help us with district-wide activities and will introduce us to many new and exciting opportunities. Last year, Pinetree hosted the SD43 Clothing Swap and it was a great success, and we look forward to hopefully running this event again alongside SD43's district sustainability leaders. We will also do various fundraisers (earth day, etc.) to help raise money for various environmental oriented organizations. We will also be continuing our project from last year to make the waste bin signs more clear and relevant to Pinetree students in order to reduce improper waste sorting.	Thursday	Lunch	A212
First Responders Club	Dr. Utting outting@sd43.bc.ca	First Aid	The PTSS FR Club is a club to provide first aid to students, it is run by an origination ESIC. When first aid is needed the office will call us via pager and the students on shift will leave class and provide first aid to their scope of practice. This is only available for students who hold a standard first aid certification but for students who are interested they are more then welcome to come to meetings and learn, but can not provide first aid to others.	Tuesday Thursday	Lunch	A208
Fitness Club	Mr. Landers slanders@sd43.bc.ca Mr. MacDonald tomacdonald@sd43.bc.ca	Sports & Fitness	Fitness club focus on providing both knowledge and hands on information for people at all different levels of fitness, as well as people with variety of goals. We will be meeting weekly, switching with informational and practical sessions. On odd weeks: We will focus on fitness education, covering topics like nutrition, different muscle groups, how to prevent injury, training splits, supplements, and more. On even weeks: We will meet at the community gym for educated workouts. During these sessions, we will demonstrate proper form for different exercises, help people to correct their form, and answer questions to make sure everyone feels secured and safe in their training. Fitness club is designed to help beginners, intermediate, and advanced lifters by providing reliable	Tuesday Wednesday	After School	A118
Heart & Jewellery (H&J) Club	Ms. Bosa jubosa@sd43.bc.ca	Hobbies	Ultimately, the club’s aim if to create a community where people can engage in fun and creative activities of jewelry making and give them opportunities to form new relationships and to participate in helping the community around us in meaningful and affordable ways. (Activities: jewelry making and making jewelries and donating them to local hospital)	Wednesday	Lunch	A112
HOPE Club	Mr. Melnik emelnik@sd43.bc.ca	Community Service	Our primary goal is to support those in need through initiatives such as organizing annual food and clothing drives for unhoused individuals in the Downtown Eastside area during the winter months. Our objective is to bring warmth and hope to people facing hardship in our community. Another goal this year is to raise at least \$250 for Katie’s Place, a volunteer-run cat shelter in Maple Ridge, BC, which provides care and safe housing for homeless and abandoned cats. To achieve this, we will host fundraising events during lunch times, selling food, donuts, and other treats to students and staff. By joining the HOPE Club, members can develop leadership and teamwork skills while making a real difference for both people and animals in need.	Tuesday	Lunch	A114

Name of Club	Teacher Sponsor	Type of Club	Club description and purpose/goal	Meeting Days	Time	Location
Investment Club	Mr. Sze jsze@sd43.bc.ca	Career Interest	The Investment Club's main objective is to provide students with the necessary knowledge for investing. Knowing investing is essential for achieving long-term financial success. We want to create a space where members can learn together and discuss investment opportunities.	Friday	Lunch	A208
Karaoke Club	Mr. Wong @wong@sd43.bc.ca	Social Connections	Karaoke Club will have lively, bi-monthly or monthly meetups where students (and teachers!) may dress up for the given theme/genre, hang out, compete, and sing our hearts out. If the amount and eagerness of our members permits, we also hope to do an event (eg. karaoke grams) to raise money for the Canadian Music Therapy Fund.	Friday	Lunch	B102
KEY Club	Ms. Close jclose@sd43.bc.ca	Community Service	Key Club is a student-led organization dedicated to leadership, service, and community involvement. Our club provides opportunities for students to engage in meaningful volunteer work both within the school and in the wider community. By organizing and participating in service projects, members develop teamwork, responsibility, and leadership skills while making a positive impact on others. The purpose of Key Club is to foster a culture of giving back, where students can explore different ways to serve and support those in need. Through partnerships with local organizations, school initiatives, and independent projects, members gain valuable experiences that promote empathy, initiative, and problem-solving. Our goals are to strengthen school spirit through acts of service, create a welcoming environment for students to grow as leaders, and build lasting connections between our school and community. We aim to inspire students to become lifelong volunteers who contribute positively to society.	Tuesday	Lunch	A100
Korean Culture Club	Mr. D. Lee dalee@sd.43.bc.ca	Culture	Our club seeks to build a welcoming community for students who are interested in learning about the Korean culture, language, history, and traditions. The goal of this club is sharing and promoting Korean culture, enjoying recent cultural aspects such as K-POP, K-Media, but also exploring the history by learning about literature and art. Another vision of this club is facilitating cultural exchange between the members with diverse backgrounds, as well as allowing Korean students to feel more connected to their heritage. The club will serve as a learning opportunity, where members can familiarize themselves to Korean traditions, celebrating Korean national holidays in a small scale and playing traditional Korean games. Although our club is under the name of “Korean Culture” club, we hope that this club will create a friendly atmosphere where students from all cultural backgrounds can join. The members can learn about the Korean culture, while sharing theirs. This will allow the members to grow their cultural insight, improve their understanding of the world, and celebrate the cultural diversity that our school houses.	Thursday	Lunch	A215

Name of Club	Teacher Sponsor	Type of Club	Club description and purpose/goal	Meeting Days	Time	Location
Math and Game Theory Club	Mr. Lau slau@sd43.bc.ca	Academic	We will investigate these math and game theory topics through engaging activities such as solving intriguing math concepts suitable for all grades, exploring math and game theory in their real world applications, introducing applications of math in various fields, as well as reenacting interesting simulations, and other educational games with strategies behind! We want every member to enjoy the games while making new friends and developing new skills such as teamwork, problem-solving, communication, and critical thinking. All level of math fans or game theory lovers are welcomed! hold some math-contest-themed meetings later in the semester and be responsible for problem-of-the-week.	Friday	Lunch	A204
Model UN Club	Ms. Joo rjoo@sd43.bc.ca Ms. Oh loh@sd43.bc.ca Ms. Robins mrobins@sd43.bc.ca	Academic	With the success model UN achieved last year, such as students that are representing Pinetree winning awards from model UN conferences, the execs are strapped up and ready to help new/returning students discover their voice, improve their public speaking skills and explore world problems as a team. Our goals is to find these students that are looking to discuss global issues, meet new people, and guide them. The execs will walk through model UN conferences, hold mock debates and make it a welcoming place to learn/grow.	Wednesday	Lunch	A113
Mutual Aid Club	Mr. C. Turton cturton@sd43.bc.ca	Community Service	The Mutual Aid Club is dedicated to creating a space for students to learn about and discuss world news through a progressive lens and explore how these recent events connect to their own lives. The club also focuses on supporting the school community by creating alternative support networks and encouraging students to take collective action	Friday	Lunch	PRTA
Papercut Dreams	Ms. Josie jmehrer@sd43.bc.ca	Hobbies	Our goal as a hobby and skill development club is to guide students in channeling their creativity into meaningful and practical forms of art. We aim to provide opportunities where artistic expression can be directed toward projects that benefit both school events and the improvement of our shared spaces. The club strives to create a welcoming and supportive environment where students feel encouraged to explore their artistic side. Members will be able to express their hobbies through a variety of mediums such as collages, paper-based projects, do-it-yourself creations, and other forms of crafts. Through these activities, we hope not only to build individual skills but also to foster a sense of community and collaboration among students who share a passion for creativity.	Tuesday	Lunch	B100

Name of Club	Teacher Sponsor	Type of Club	Club description and purpose/goal	Meeting Days	Time	Location
Piano Club	Ms. Ugonotti ugonotti@sd43.bc.ca	Hobbies	Piano Club is a community where Pinetree pianists come together to explore and discuss piano pedagogy, history, and technology. Experienced members support beginners in learning piano from the ground up. Our meetings include presentations, lessons, and discussions on a variety of topics in both jazz and classical styles — such as sound production, ear training (perfect and relative pitch), and improvisation. We also enjoy fun piano-related games, creative activities, and even book reviews! Activities will include workshops on piano history, based on Alfred Dolge’s Pianos and Their Makers; technique and pedagogy, drawing on ideas from Matthay, Fraser, Neuhaus, Lhévinne, Ortmann, and Mark; and piano technology, covering the structure and mechanics of upright and grand pianos. include tone production, body movement, posture, healthy playing, and the anatomy of the hand in relation to piano performance. By the end of the year, members will have gained a deeper appreciation of the instrument, an introduction to the science of healthy playing, and insight into piano construction and its role in performance. The club’s overall goal is to enrich students’ musical knowledge and create a community for those passionate about .	Monday	Lunch	A110
Pinetree Athletics Social Media Club	Mr. Ireland lireland@sd43.bc.ca	Sports & Fitness	Our goals are to create an open space where everyone can be creative and people are able to collaborate and connect with others, while the main focus being on the sports teams. When making posts we want to get others to try out new sports and in the the social media club we want to create a space where people can meet others along. Pinetree Athletics Social media club will cover school sport events, sports teams and media days along with making posts covering all things sports.	Wednesday	Lunch	Room 789
Pinetree Bouldering Club	Mr. Koyanagi mkoyanagi@sd43.bc.ca Ms. Kim seakim@sd43.bc.ca	Sports & Fitness	A club for students who are interested in discovering a new hobby or further developing their skills within the sport of rock climbing/bouldering.	Monday	After School	Hive Climbing Gym Port Coquitlam
Pinetree Hack Club	Mr. Flores dflores@sd43.bc.ca	Skill Development	Pinetree Hack Club will guide students in learning how to create websites and develop programming skills. Through real coding projects, including personal website and supporting non-profit organizations by creating websites for them, students will gain team work experiences and problem-solving skills. A hackathon event will also be planned at the end of the semester.	Wednesday	Lunch	A222
Pinetree Junior Economist Club of Canada	Mr. Sze jsze@sd43.bc.ca	Career Interest	JEC Canada is a federally registered non-profit organization led by students dedicated to promoting education in the business world. Each year, we host events, case competitions, and economic forums alongside our very own writing publication, The Junior Economist. Our mission is to expose ambitious high school students of all socio-economic backgrounds to free workshops, connections, and opportunities, to ensure a level playing field for individuals across Canada.	Tuesday	Lunch	A208
QSA (Queer Straight Alliance) Club	Mr. Lee halee@sd43.bc.ca	Social Connections	QSA Club aims to be an environment where creativity and community thrive in a comforting environment. We plan to fundraise and raise awareness for problems for the 2SLGBTQIA+ in our local community and worldwide; which is important considering the current political climate. Our meetings will consist of both fun and engaging activities – and working towards our events depending on what's necessary.	Thursday	Lunch	A217

Name of Club	Teacher Sponsor	Type of Club	Club description and purpose/goal	Meeting Days	Time	Location
Rock Band Club	Mr. De Vita ndevita@sd43.bc.ca	Music	To create an afterschool club for Grade 9’s to play in a band together and present at organized events.	Tuesday Friday	After School	Band rm
Sending Sunshine Club	Ms. Josie jmehrer@sd43.bc.ca		Allow students to spread their artwork and provide companionship to senior citizens all across Canada through handmade cards. Students at Pinetree can earn 30 minutes of volunteer hours for every card they make and we will have monthly themes to encourage club members to continue to write cards all throughout the year.	Tuesday	Lunch	B100
Speech club	Ms. Olujic olujic@sd43.bc.ca	Skill Development	We want to offer opportunities for all students who are interested in public speaking, aiming to improve their communication skills at school, or to find a place to express their opinions on current topics with each other. Since there are not really any school courses that can teach you about public speaking, how to give good presentations and speeches. Even til grade 12, when students have to make a presentation on their vision boards, many are still afraid or struggle to do it. Our final goal is to make all our club members feel comfortable when speaking in public or doing presentations. This club will provide a positive, respectful, and friendly environment for all students who want to speak out, make friends, and have fun through speeches! They can learn speaking techniques, including hand gestures, and how to avoid possible mistakes that they may make throughout their speeches. We will also give them lessons on both impromptu speeches, prepared speeches, and other interesting public speaking activities.	Tuesday	Lunch	A217
STEM Club	Ms. Chan ychan@sd43.bc.ca	Academic	In our second year of the club, we intend to continue establishing a strong STEM program at Pinetree Secondary and giving opportunities to all students in our school to explore their interests in STEM. This includes pushing to create two KPU science challenge teams (one junior, one senior) which will allow students to learn in a more familiar, structured lab-based competition format. We had a very successful start last year and are looking to give this amazing opportunity to others. Our main event will be science fairs in spring (GVRSF and Coquitlam Science Expo). We will have our club members preparing the whole year aiming to present a finished research project of their personal interest. We will support these projects however we can by providing teacher resources, guest speakers, our own presentations, soft deadlines and more.	Friday	Lunch	B203
String Orchestra Club	Mr. Seah rseah@sd43.bc.ca		Do you play a string instrument (violin, viola, cello or string bass) and want to be a part of a String Orchestra ensemble? Come join the String Orchestra Club! All abilities welcome.	Tuesday Thursday Friday	Lunch	Band rm
The Psychology Club	Mr. Melnik emelnik@sd43.bc.ca	Academic	The Psychology Club's goal is for people to have a better idea and understanding of psychology! Unfortunately in today's time, there are a lot of stigma and misinformation that not only hinders towards an understanding future, but as well as the acceptance with those who have trauma, mental disabilities and more. This club will hopefully help people get interested in psychology, help people have a better understanding of themselves and their peers. In addition, we also plan to talk about the many occupations that are all connected to psychology.	Wednesday (Bi-Weekly)	Lunch	A114

Name of Club	Teacher Sponsor	Type of Club	Club description and purpose/goal	Meeting Days	Time	Location
UNICEF	Mx. Groll mgroll@sd43.bc.ca	Non-profit Organization	United Nations Children's Fund (UNICEF) is a non-profit organization dedicated to providing humanitarian and developmental aid to children around the world. Here at Pinetree, the UNICEF club has proudly supported this mission, organizing a wide range of fundraisers (both in and out of school) to ensure children everywhere have the resources and opportunities they deserve. Last year, thanks to the generosity of our community and the hard work put in by our members, we raised over \$1000 for UNICEF. Our goal for this year is to raise \$1500 through the span of 4-6 fundraisers. We are determined, dedicated, and all the more committed to continue supporting UNICEF's mission and making a difference to bring hope and brighter futures to children worldwide.	Tuesday	Lunch	A209
WYNS - Wish Youth Network Society	Dr. Utting outting@sd43.bc.ca	Community Service	Wish Youth Network Society is a non-profit organization certified in the province of British Columbia, Canada under the Societies Act. We focus on empowering youth across Canada to support local hospices in enriching the end-of-life journey of their patients, become leaders who recognize the power of their voice and activism and grow into philanthropists of our future. We concentrate on spreading awareness about hospice needs, connecting our youth through volunteering events, and hosting fundraisers where 100% of proceeds are donated to these Canadian hospices.	Monday	Lunch	B207
