

Form 265 – 1

Consent for Storage and Access of Information Outside Canada: [Tool Name Here]

In our class, students will be using [Tool Name] (Link to terms of use for the tool) to support the ability to upload, store, and share pictures, music, and videos from school and home as part of classroom assignments. This information will be shared

<Choose one of the following options>

- publicly.
- with students and teacher(s) in our school.
- with the school community including student, teacher(s) and students' parents.

<Choose one of the following options>

- Students will need to sign up for their own accounts to access the service using their School District email address and will be asked to delete their accounts when they are no longer needed.
- The teacher will create accounts for students using [information used to create an account] and will delete their accounts when they are no longer needed.

Note that <Tool Name> is an online service located outside of Canada. As such, it is always recommended that students should avoid storing materials that include sensitive personal information or information that could be used to identify themselves or other persons.

Kindly return a copy of this letter to [location] _____ signed and dated before [date] _____. If you have any questions or concerns, please feel free to contact [name, title, email address, phone number]

Consent: I understand that the information my child may create and store will be stored in or accessed from a location outside of Canada and I hereby consent, on behalf of me and my child, to my child's information identified above being stored in, or accessed from, a location outside of Canada.
