Grade 7 Girls Volleyball

This is a reminder that the Grade 7 Team B girls volleyball players are to go to **BANTING MIDDLE SCHOOL** right after school to play off at their last game of the season! All of the volleyball players are encouraged to come and cheer as we end the season off with a bang! See you there.

Rainbow Club

Rainbow Club is meeting today right after instructional lunch in **Mr. Smith's portable.**
We had a great first meeting last week and are excited to get together again today!
Everyone is welcome. Whether it's your first time joining us or you've come before, we'd love to see you there.
