COQUITLAM RIVER SALMON SPAWNING - DIV 1 & 2

Our Div 1 & 2 students will be heading out to the Coquitlam River on November 6th to observe the annual salmon spawning! This is a wonderful opportunity for students to learn about the salmon life cycle, the importance of local ecosystems, and the journey salmon make to return to their spawning grounds. We will be walking to the river from Meadowbrook, during this walk there will be a short period where we encounter some uneven terrain.

REMEMBRANCE DAY ASSEMBLY

Our school will be holding a Remembrance Day Assembly starting at 10:50am to honour and remember the brave men and women who have served and sacrificed for our country. This is an opportunity for our school community to come together, reflect on the importance of peace, and show our gratitude to those who have served and continue to serve.
Families are warmly invited to join us for this special assembly as we take time to remember and honour those who have given so much.
Lest We Forget.

With spring approaching, Ms. Tracy will use these funds to purchase supplies for our school garden. We hope the process is easy to navigate, and we truly appreciate your continued support!
