IMPORTANT INFORMATION!

TUE 1

On Nov. 3, 2026, HWSS is excited to welcome award-winning Canadian author Susin Nielsen for a special visit with our Grade 9 English classes! Known for popular young adult novels such as *We Are All Made of Molecules*, *No Fixed Address*, and *Word Nerd*, Nielsen explores themes of friendship, family, belonging, and resilience with humour and heart. Students will hear about her journey as an author, learn about the writing process, and discover how stories come to life. We hope this inspiring visit will spark students' enthusiasm for reading and writing and encourage them to imagine themselves as storytellers!
