WORLD EDUCATORS' DAY

October 5th is **World Teachers' Day**, and we want to take a moment to honor the amazing educators who build confidence, spark curiosity, and change lives inside and outside our classrooms. Our teachers show up every single day with endless creativity, patience, and care to give our children the best possible start in life. **Please join us this week by saying a huge "thank you" to our teaching staff!** Whether it's a quick note, an email, or a verbal shout-out, a little appreciation goes a long way in lighting up an educator's day.

RECYCLING

It has come to our attention that since Return it (bottle recycling depot) has overhauled their online system a lot has changed pertaining to our account. Their system no longer supports group/school accounts with phone numbers, the way we have been doing it. They now require you to "donate" to us through your own account/link. So basically, you will have to set up your own account through them and then set up to donate your return/refund money to the school.

Here is the link to do that. I hope this makes it easy for everybody to keep donating to our school. With spring arriving soon, Ms. Tracy will need that money to buy supplies for our Garden. This link should take you right to the account set up/donation page.

I hope this will be easy to navigate for everyone as we really appreciate your support!
